

Dakota Family Connections

Dakota Family Solutions

We wish you a very Christ-centered Thanksgiving and Christmas celebration with your loved ones this year. May you experience His presence in a very intimate way!

Teen Moms

"The Teen Mom Group has made it a lot easier because it gives me some people to talk to that I know will understand what I am going through. I'm glad it is there because there isn't another support system for young moms and it is nice to be around other teens who have children, because then we know we are not alone in this."
~Teen Mom 2014

The Teen Mom Support Group is in the process of choosing a new name as we have expanded to include women in their early twenties. Three new moms have recently joined us. Five miracles have joined us as well! One baby girl and four baby boys. We love these precious little people!

Prayer Requests:

- For a key person to come on board to help plan and implement events for Single Moms and Teen Moms.
- That we continue to promote LIFE through love to young moms in our community.
- For God to provide the direction and guidance we need to do His will.
- For God to provide the finances needed to continue this ministry!

Thank You!

"Dakota Family Solutions has changed our lives in so many ways! I attend the Single Moms group with both of my toddlers and all of us love it. :) By going to this group we have found support, a better way of life, and so much encouragement! Thank you to everyone involved for making this possible and giving us exactly what we needed!"

Single Moms

Single Moms have been studying, *Lies Women Believe*, by Nancy Leigh DeMoss this session. It is amazing to see how women are often influenced to accept the world's way of thinking. We are learning to replace lies we have been believing with God's truths. There is so much peace and freedom in living His way!

Autism Spectrum Disorder Support Group

A new support group for parents, foster parents, and caretakers of children anywhere on the autism spectrum has been launched! Adults interested in attending are welcome. It is on the 2nd Tuesday of each month at the ARC in the Senior Room from 7:00-8:30 PM. For more information call 701-570-4646.

Marriage

Terry uses Prepare/Enrich for marriage counseling and has seen many positive results!

"Dakota Family Solutions is a safe and confidential venue that provided my husband and me an opportunity to get some much needed support and encouragement to navigate a very troubling time in our marriage. We were taught skills that addressed our particular situations and were given Biblical truths to grow our faith. Thank you Dakota Family Solutions for helping to make our good marriage even better!"
